211048725	6/18/2024	Section 3.3.1 Active Membership. Change "cause and origin of fires" to "origin and cause of fires"	Section 11.6 NEW . . . The Achievement of Excellence in Fire Prevention Award (AEFP). The Achievement of Excellence in Fire Prevention Award (AEFP Award) is a permanent award to recognize organizations for performance excellence in fire prevention. The AEFP Award shall be an ongoing award, with no limit on the number of awards being presented in a calendar year.	renumber existing Sections 11.6 and 11.7 to Section 11.7 and 11.8 respectively.	
211136845	7/8/2024	Article XI - past presidents will automatically qualify for life member award after the completion of their term. Must meet all other requirements for life members awards as stated in bylaws.	Article XI - Fire Marshal of the year award. Presented to the fire marshal who has achieved the highest and utmost excellence in the field of fire prevention and life safety. Committee to review application	Article XI - scholarship awards. The association will give 4 - \$1000 dollars scholarships to graduating high school senior. Applicants must be related to an active member of the association. Donation money will come from money raised during the conference such as casino night or any other monetary donations. The association is only obligated for the scholarships if the funds are available.	You may disregard these. All of these suggestions were completed on last year's update. I suppose they were looking at an old
209093966	8/27/2023	Section 3.4.1 Posting Dues. Remove excess blank lines between Sections 3.4.1.1, 3.4.1.2 and 3.4.1.3	Renumber Sections 3.5.3.A and 3.5.3.B to Section 3.5.4 and Section 3.5.5 respectively.	Section 11.1 Did we not approve a name to be associate with the Life member Award?	

7.1.1.17 A Texas Advisory Council On Arson Committee (ATAC) - It shall be the duty of this committee to meet and communicate as often as needed in order to: Support the stated purposes of the TFMA; Improve coordination and cooperation among fire departments, law enforcement agencies, insurance industry representatives, and other directly interested in fire and arson prevention; Contribute to knowledge about the control, detection, and prosecution of arson; Provide for the exchange of technical information and new developments about arson; Review laws and legislative proposals regarding arson and provide information relative to them as needed; Encourage high standards of professional conduct among fire and arson investigators; Communicate to the public the extent, severity, seriousness, and consequences of arson; Maintain the Arson Hotline

9/6/2023 Reward Program.

Recommend moving 7.1.1.13 and 7.1.1.16 up to be with the County Fire Marshal and ESD committees. Move all others down in order while maintaining the numbering system.
